Landscaping with trees and plants

Trees are an investment and it will provide environmental, economic, and social benefits throughout its lifetime. Plants and trees are helpful in mitigation of Environmental pollution. Not only provides shade but also improves aesthetics and air quality inside the campus. Majority of students go through anxiety and panic attacks due to exam stress. Planting trees may take charge of increasing focus on lowering stress levels and improving mental health. The Management has taken more landscaping with trees and concern about the plants by conducting more plantation programmes organized in a huge manner.
