Teaching Pedagogy Report

College of Educations all the facilities available in the college is being used judiciously to make the teaching learning process focused on creativity, innovativeness, rational thinking competency Incultation, acquisition of life skill and inculcation of values Teaching pedagogies have been altered over time to facilitate innovation, use of I CT enabled devices by the colleges helps in producing efficient teaching learning outcomes.

Career opportunity announcement, selected techno-pedagogic content knowledge analysis question discussion, familiarization with books, etc in the organizational period. On every week the organization period takes the form of a weekly assembly which provided a pre-experience to organize the school assembly; which is usually held in the College portico for the entire student population of the college.

All disciplines in the college have taken initiative to make teaching learning process more live, learner cantered, student centered and proactive. There is a provision to full-fledged computer lab which provides the student proper access to the internet connectivity. Our teachers follow various innovative teaching method to make teaching learning more interesting. Students are always encouraged to take full advantage of the various opportunities offered at college.

Field visits and nature rambling instruction through models of teaching and collaborative learning experiences through peer-tutoring and team teaching. The problem-based practicum and innovative lessons/ instructional resource designing exercise provide opportunities for innovations, critical thinking, and creative designing. The plus concept infused chart/still model design is worth mentioning on grounds of experimental output in teacher education even on an international platform.

In addition to this College of Education has been providing guidance to not only present students but also who have passed out. There are various examples of the students who did not have much confidence but today are placed in esteem school organizations. The teachers regularly monitored students after each session of counselling and encouraged and trained him to participate in different co-curricular activities of college. After that he represented the college in different fields like theatre, fine arts items; still life drawing, yoga, sports, and social service camp. This is a true example of nurturing creativity, life skills, empathy, and everything.

The following events would give a wider aspect of the creative, critical, and empathetic dimensions

Imparted to the students. Creativity is developed through ,Talent Hunt Arts, s, Academic/Creative Writing ,Innovativeness is developed through Lesson template preparation ,Based on Models of Teaching Innovative Lesson template, ICT Oriented Lessons Activity, Oriented Classes Practicum's , Practical works, Seminars, Assignments , Brain storming sessions , Development of Educational, Research tools, Filed Visit , Group Discussions , Poster presentations, Participation in Rural Reconstruction ,Working with Community ,Yoga and Aerobic Practices Morning Prayer, Sports Day, Career Development Programmes ,
