Ghargaon, Tal. Shrigonda, Dist. A. Nagar

# Academic Calender

INCHARGE PRINCIPAL  
College of Education (B.Ed. & M.Ed.)  
Ghargaon, Tal. Shrigonda, Dist. A Nagar

#### **2.6.4. The institution adheres to academic calendar for the conduct of Internal Evaluation -**

Academic Calendar is the mirror of college. It is one of the most important tool on which whole college functioning depends. Academic calendar is prepared by Principal, Course coordinator taking into consideration opinion from students, teachers, employers, parents and management. It is then sent for approval from management. Suggestions from students, teachers, management and other stakeholders are taken into consideration for the development and wellbeing of students.

Academic calendar includes details of all major activities that college has planned for the students' development. It includes examination details both internal as well as university examination. It also includes semester/year beginning date, curricular activities, co-curricular activities and extra-curricular activities.

Academic Calendar includes information with respect to exam dates, guest lectures dates, annual social gathering date, syllabus completion date etc. Thus all major activities are highlighted in the academic year plan as we believe in effective planning.

Academic calendar is given to all the students and staff before the session starts. It is also displayed on the notice boards and well as displayed on the website. As per the academic calendar, time table is prepared which is followed for strict adherence to the academic calendar.

The academic calendar mentions total number of days for tutorials, Mid-term, Prelim Exam. It also mentions total number of lectures for teaching

INCHARGE PRINCIPAL  
College of Education (B.Ed. & M.Ed.)  
Ghargaon, Tal. Shrigonda, Dist. A. Nagar

as per the guidelines provided by university. The first date that the academic calendar mentions is syllabus orientation date, where a detailed orientation with respect to internal examination is given to the students. Even practicum orientation dates are mentioned in the academic calendar, here also a detailed orientation is provided as it is the base of B.Ed. program. These dates are followed by concerned in-charge teachers.

Students are told well in advance about the dates of written exam & mcq exams too as that they are prepared well for it. Dates of written exam, Prelim Exam are also mentioned for the students' readiness. In fact it also gives an idea to the teachers for their syllabus completion as per the dates of the exam. Syllabus completion date is also mentioned along with internal practicum submission date which also is followed. Students Revision and Remedial Classes dates also are part of the academic calendar.

Academic calendar thus includes important dates for internal evaluation. A due care is taken for minimum deviation. Academic calendar review is conducted with the help of term beginning and term closure meeting. In case there is any change in the dates of execution of the activities and is not aligned as per the academic calendar, it is discussed in a meeting and then is communicated to the concerned stakeholders for appropriate action.

The college has an excellent work culture and therefore it seldom faces difficulties in adhering to the academic calendar not only in terms of internal examination but also in terms of all other activities.
